What Else You Should Know

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$30 Overdraft Fee that is charged if you overdraw your account is the same amount that is charged if an item is returned as unpaid. **Effective April 5, 2021**, if your account is overdrawn by \$5 or less, the De Minimus Overdraft Fee is \$5. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Returned Item Fee of \$30. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Persons Banking Company will charge a Returned Item Fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Persons Banking Company may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee.
- For consumer accounts, the maximum number of overdraft fees that we will assess is limited to 5 per day (\$150). This exception does not apply to business accounts.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post ACH credits before debits. ATM, ACH and debit card transactions are posted from lowest to highest dollar amount, while paper checks are posted in check number order. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Returned Item Fees assessed.
- Under payment system rules, Persons Banking Company may be obligated to pay some debit card transactions that were not pre-authorized. We will not authorize debit card or ATM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- Persons Banking Company authorizes and pays transactions using the available balance in your account. We may place a hold on deposited funds in accordance with our Terms and Conditions of Your Account, which will reduce the amount of your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for authorizing ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege limit. For accounts with Extended Coverage, the Overdraft Privilege limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Persons Banking Company's ATMs.
- Persons Banking Company will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within three calendar days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, Persons Banking Company may not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- New consumer checking accounts will receive a \$100 Introductory Overdraft Privilege limit at account opening that will be increased to \$500 after 60 days in good standing.
- New business checking accounts will receive a \$100 Introductory Overdraft Privilege limit at account opening that will be increased to \$1,000 after 60 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be reduced or removed if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 35 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Terms and Conditions of Your Account. The total (negative) balance, including all fees and charges, is due and payable upon demand.

WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS AND OVERDRAFT FEES

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to another account or line of credit, which may be less costly than our standard overdraft practices. To learn more, ask us about these plans.
